Cami Is 18 today!

Happy Happy Birthday Baby!
You've now become a special lady.
But you're still my precious little girl
And I'm gonna shout it to the world.
Happy Happy Birthday ... Baby!

(Daddy Loves You Madly)

My Daughter Camera Anne Johns Summerfield turns 18 today. I'm just so grateful that I got to spend the last 18 years proudly watching her go from the pretty girl she's always been to the beautiful intelligent Woman she's become.
