The "I" word Didn't Work For Jesus Either!

I was having a couple of glasses of Wine the other day in Ft. Lauderdale with Gary Bachman. He was telling me about the time he told his Brother Randy he had to lose the wimpy James Taylor sound he was doing since leaving The Guess Who. You're a rocker Randy, you need to hear Fred Turner sing "House Of The Rising Sun" cause thats the kinda stuff you really should be doing. Randy claimed he would love to hear Fred sing it sometime somewhere. You're in luck cause Fred is playing in Club right near you Gary told him, so you can pop in and see him anytime. Randy a converted Morman said ... I cant go into a Night Club! What are you talking about Gary asked you've been playing in Night Clubs your whole career. Oh I can work in them Randy explained I just cant hang out in one. The next night Gary arranged to have Fred sing the tune right when he opened the fire escape door at exactly 11:00pm. Randy who was standing outside in the parking lot heard Fred sing "House Of The Rising Sun" loud and clear through the open doorway. Bachman Turner Overdrive was born at that moment.

Boy a big day coming up November 6 and I can hardly wait. It's my Daughter Cami's 17th Birthday ... What do you mean there's something else going on, surely it's not as big as her Birthday.

Don't you just hate being taken for granted.

Motivation is a lot like Chinese food in about an hour you need to do some more. Inspiration lasts much much longer.

One of the weakest words in the dictionary is "I" Jesus of course used it when he said, "I" am the Son of God. How many Christians other than visitors do you find in his hometown now. The Disciples on the other hand got to say "He" is the Son of God the result is there are Christians all over the rest of the world.

Unfortunately the only known cure for a Woman is another Woman.

Both my Daughters at one time or another have heard from some very big Super Stars how much I had helped them in their early years and how grateful they are for it I thought that was nice of them to mention it but my Daughters question to me is ... Dad how many of them helped you.

So answer me this? Dwight Howard gets his coach fired so maybe he'll stay with the team then he leaves anyway. What kind of good will do you wish this creep for the rest of his career.

As Hunny Bunny told me age is just a number, you're never too old to dream a new dream.

I wonder what my late Father would have thought about Hurricane Sandy being named after him. When I was growing up sometimes he was just like a hurricane and I was very afraid of him. He had the original "Johns Rage" which he passed on to me and I have since passed it on to my Daughters Candis and Cami.

It is said that the Wives most likely to cheat are the ones whose Husbands do everything they want exactly when they want it and how they want it done. Every once in a while these Women just need a real Man.
