Sugar Daddy!

Rumor has it that Lauren Silverman targeted Simon Cowell for a paternity payday

and even her friends call her a social climbing gold digger. She definitely sounds

like my kinda Woman.

Walking the talk is a hell of a better motivator for whomever you're trying to inspire

than just "talking the talk" will ever be.

People who have tattoos, wear hoodies, carry signs, or have an excessive

amount of bumper stickers are generally making a statement.

Unfortunately the statement seems to lean more towards "Fuck You" than "Have A Nice Day"

Robin Garrett wants to know if George Zimmerman has a choice now whether or

not to check the Hispanic or the Caucasian box on a questionnaire seeing as he

has been labeled a White Hispanic. Hey maybe he has to check both now!

Just because you don't want something to be true doesn't change a thing. A is still A.

There is as much difference between being a Dee-Jay and a Personality as there is between being a Celebrity and a Star.

When Obama took office 73% of White people and 63% of Black folks thought

race relations were pretty good but now only 52% of Whites and 38% of Blacks

still think so.

I love celebrations so much that I learned how to find good news in a rating book.

In fact I love celebrating so much that the thing I miss about smoking is the

opportunity to celebrate the opening of a brand new pack of cigarettes.

Seeing as the past only exists when you think about it and there really is no future,

you better deal with the right now 'cause it's all ya got!

If it seems too good to be true you're probably right.

I watched an interview done last year with Aaron Hernandez who was claiming he

and Robert Kraft had a very close relationship because he knew what Robert Kraft

was going through after losing a loved one. I wonder how many times Mr. Kraft

has visited his old friend Aaron since he has been locked up and charged with

murder.

I don't think Anthony Weiner can close the deal, sexting is probably all he wants

and is able to do.

Making love leads to serious consequences. Right Reid!

For some reason we know most movie stars names along with the actors in most

TV series not to mention the names of recording stars. But in Radio we only know

the owners names.

If you don't ask for it there's a real good chance you aint gonna get it.

Do Women with great asses walk so seductively because they like showing it off, or can they just not not help it!

Joe Walsh of the Eagles who says he is an analog man in a digital world and

claims today's music is too perfect. A lot of the time in the past it was the mistakes

left in the recordings that made them hits.

It's much cheaper to be a Sugar Daddy than a Hubby.

A little mystery in a Woman is sexy, a lot of mystery is scary.

If it weren't for Women Men would still be wandering around the planet following

the herds. She figured out how to lure us into dragging the Deer back to the cave

instead us just of cooking it up out there on the hunt and moving on.

John Wooden said things turn out best for the people who make the best of the way things turn out.

Rich Stevens claims that in every group there's one ugly person, if you can't spot

him in your group, it's you.

Your memory it turns out is seasonal.

The less you talk the more you hear, the more you hear the more you learn.

If the PD doesn't listen to his Radio Station why should anybody else!

I love the sound of a Cellos and French horns mixed together.

It's quite possible for a Radio Station income to simply outrun their expenses.

There is no such thing as business ethics there's only ethics.
