Wanna Fool Around!

Constantly living in the past may cause your future to become a sequel.

You are where you came from but that doesn't mean that's where you're going.

Winning a beautiful woman's heart without touching her takes a lot of talent and creativity but well worth the quest because no one will ever be able to take her from you.

The purpose of one's life should be to try and make a difference.

It took me much too long to figure out that you seldom get what you don't ask for. My Grandson Nathaniel will become very hip to this.

Nothing fixes itself and in fact everything is in always in a state of decay and destruction. Creativity is the exact opposite of that.

Everything you do on the radio should sound like you didn't have enough time to do it all so you'll need to come back tomorrow to hear the rest.

I love air talent who have a little off air swagger where as management seem to prefer the "needy" types.

Who are the new radio legends?

Guiding an air talent towards fame and fortune always breaks down at the same old place ... Show prep!

Breaking into the radio business at the moment would be like breaking into a bank that's already been robbed.

Radio must be using the same research company that Ford used when they built the Edsel.

My friend Bob Christy who escaped the radio world some time ago discovered recently that radio sounded a lot worse than he imagined now that he is a civilian.

Have you ever noticed that when things are going well at work you seldom think about it but the moment things start to go south you start thinking you're working too hard and maybe you need to spend more time with your family and friends or play a little more golf. So goes your work so goes your life.

I've always been in awe of people who can do things I can't do which is a rather large crowd.

A charismatic person is one who so strongly believes in what they are doing that others are caught up in their "can't fail" wave of confidence.

Most great entities are toppled from the inside.

Leaving a little something to the imagination was said by no man.

No is instant where as yes always takes hours and hours and hours.

The thing that rich people most have in common is the belief that they did it all by themselves.

The Grammy's are for the fans the Oscars are for the actors.

Why would you ever buy a stock if you didn't have some inside information.

Men usually have to ask permission to go on a "Boys Night Out" women just go.

The neatest thing about Victoria's Secret is that you can go into the dressing room with a beautiful woman and help her pick out her Valentines gift.

Great marriages are the result of a couple not only loving each other but also liking each other.

The whole music world changed when Elvis, Little Richard, and Jerry Lee Lewis were taking a break during a recording session and started fooling around. Maybe we all need to fool around a little more.

The only music that's too loud is the music you don't like.

I think the truth in business lies somewhere between the owners and the unions.

A lot of men's natural instincts are illegal and I can't help but wonder who the hell made it so!

I'm so busy working on free stuff that I have no time left to do the stuff that actually pays.

Is it also racist to think that somebody deserves a break because of the color of their skin.

If I wasn't the leader of the band I would have never had the thrill of making records because they would have thrown me out.
